

Reading List: Stories about Books, Writers; Libraries or Bookstores & The People Who Work There

There are so many books about books! Here's a list of Christian Fiction and clean general market books about bookstores, employees of bookstores, libraries and librarians, writers and books. Many of these books are reader recommended and I haven't read them yet. For others, you can check out my reviews on the blog ([Ann's Book Reviews Archives - Brodeur Writes](#))

There are a variety of genres included below – romance, historical, historical romance, and cozy mystery, so whatever your taste, there should be something here for you!
